NURSES TRAINING: Per Grand Directeur Jack Schipper

Income is derived from the sale of National Nurses Training Pins that are issued to Locales on consignment. All money is turned over to the Grand Commissaire Intendant who in turn forwards the cost of Pins annually to the National Directeur of Nurses Training. The balance is retained in the CA Nurses Training Fund, known as the Harry C Stanly Memorial Nurses Training Scholarship Fund. Other donations are sometimes received to the Fund.

The Harry C Stanley Memorial Nurses Training Scholarship Fund, STANLEY FUND, is available to Voitures Locale to assist in their Nurses Training Scholarships. The amount available varies annually with the sale of pins. At no time can the balance in the trust fall below \$20,000.00, in other words, pin sales and interest sustain the fund. Applications must be received by the Grand Directeur 60 days prior to Grande Promenade, and the delegates approve disbursement. Complete guidelines on the Stanley Fund are available from the Directeur and are listed on the Grande Voiture Web Site www.cafortyandeight.org Correspondant's News Desk.

Voiture Nationale operates the George B Boland Nurses Training Scholarship Program. The Program Guidelines and applications are available on the National Web Site, www.fortyandeight.org BOLAND TRUST FUND

No scholarship awards will be presented to any Voiture Locale that does not participate in the program through the purchase of the annual Nurses Training Pins.

The Locale Annual Nurses Training Report Form is available on the National Web Site www.fortyandeight.org Resources/Petit Communiqué.

The Grand Directeur will submit a current Pin Accounting Form to the Grand Correspondant at each Grande Voiture Meeting (Grandes Cheminots & Grande Promenade). The form will be provided by the Grand Correspondant and is listed on the Grande Voiture Web Site www.cafortyandeight.org
